The Bible is the inspired word of God, and it has much to say about the issues that we face in the world today. In this book, we will explore the Bible's teaching on some of the most controversial issues of our time, including abortion, homosexuality, and euthanasia.

Abortion

The Bible is clear that life begins at conception. In the book of Jeremiah, God says, "Before I formed you in the womb I knew you, before you were born I set you apart" (Jeremiah 1:5).

Abortion is the taking of an innocent human life, and it is a sin against God. The Bible says, "You shall not murder" (Exodus 20:13).

There are many reasons why people choose to have an abortion, but none of them justify taking the life of an innocent child. If you are considering having an abortion, please know that there are other options available to you. You can choose to adoption, or you can get help from a crisis pregnancy center.

Homosexuality

The Bible teaches that homosexuality is a sin. In the book of Leviticus, God says, "You shall not lie with a male as with a woman; it is an abomination" (Leviticus 18:22).

Homosexuality is a violation of God's created Free Download. God created men and women to be together, and he intended for them to have children. Homosexuality is a perversion of God's created Free Download.

If you are struggling with homosexuality, please know that there is hope for you. God can forgive you and help you to overcome this sin. There are many resources available to help you, including Exodus International and The Restored Hope Network.

Euthanasia

Euthanasia is the practice of killing someone who is terminally ill or suffering from a debilitating condition. The Bible teaches that euthanasia is a sin. In the book of Job, God says, "I know that my Redeemer lives, and at the last he will stand upon the earth" (Job 19:25).

Euthanasia is a violation of God's sovereignty. God alone has the right to take life, and we should not presume to take the life of another person.

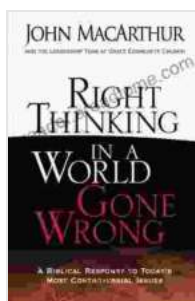

If you are considering euthanasia, please know that there are other options available to you. You can choose to palliative care, or you can get help from a hospice center.
