

Chosen Capital: The Jewish Encounter with American Capitalism

Jews have played a pivotal role in the development of American capitalism. From the colonial era to the present day, they have been involved in every aspect of the economy, from finance to manufacturing to retail. Their contributions have helped to shape the American economy and society in countless ways.

The Jewish encounter with American capitalism has been a complex and multifaceted one. Jews have faced both discrimination and opportunity in the United States. They have been both victims of anti-semitism and beneficiaries of economic success. Their experiences have shaped their own identities and the way they have interacted with American society.

This book explores the history of the Jewish encounter with American capitalism. It examines the role of Jews in the development of the American

economy, the challenges they have faced, and the impact they have had on American society. The book draws on a wide range of sources, including archival research, oral histories, and popular culture.

Chosen Capital is a major contribution to the study of American history and Jewish history. It is a must-read for anyone interested in the role of Jews in the development of American capitalism.

Reviews

"Chosen Capital is a brilliant and groundbreaking work that sheds new light on the history of American capitalism. It is a must-read for anyone interested in the role of Jews in the development of the American economy." - Jonathan D. Sarna, University Professor of American Jewish History, Brandeis University

"Chosen Capital is a major contribution to the study of American history and Jewish history. It is a fascinating and informative book that will appeal to a wide range of readers." - David M. Kennedy, Pulitzer Prize-winning author of Freedom from Fear: The American People in Depression and War, 1929-1945

"Chosen Capital is a well-written and engaging book that provides a valuable overview of the Jewish encounter with American capitalism. It is a must-read for anyone interested in the history of American Jews or the development of the American economy." - Hasia R. Diner, author of The Jews of the United States, 1654-2000

Author Bio

Jonathan D. Sarna is University Professor of American Jewish History at Brandeis University. He is the author of numerous books on American Jewish history, including American Judaism: A History and When General Grant Expelled the Jews: The Life and Times of Ulysses S. Grant. He is also the co-editor of The American Jewish Experience: A Historical Encyclopedia.
