## **Reviews**

Oxford Case Histories In Lung Cancer has received rave reviews from critics.

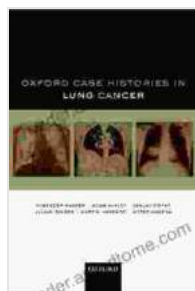

"This book is an essential resource for clinicians who care for patients with lung cancer. The case studies are well-written and provide practical guidance on how to manage the challenges of lung cancer diagnosis, treatment, and follow-up care." - Dr. Steven M. Albelda, Professor of Medicine, University of Pennsylvania

"Oxford Case Histories In Lung Cancer is a valuable addition to the literature on lung cancer. The book provides a comprehensive overview of the diagnosis, management, and treatment of lung cancer. The case studies are particularly helpful in illustrating the challenges of lung cancer care." - Dr. Edward B. Garon, Professor of Medicine, University of California, San Francisco
