

Titian Drawings Annotated Masterpieces: A Comprehensive Guide to the Artist's Draftsmanship

Titian Drawings Annotated Masterpieces is a comprehensive guide to the artist's draftsmanship, featuring over 200 drawings with detailed annotations. This book is a must-have for any fan of Titian or anyone interested in the history of art.

About the Book

Titian Drawings Annotated Masterpieces is the most comprehensive study of Titian's drawings ever published. The book features over 200 drawings, each of which is reproduced in full color and accompanied by a detailed annotation. The annotations provide information about the drawing's date, medium, provenance, and iconography. They also discuss the drawing's relationship to Titian's other works and its place in the history of art.

The book is divided into three sections. The first section provides an overview of Titian's life and career. The second section presents the drawings in chronological order, from his early studies to his late masterpieces. The third section includes a selection of essays by leading scholars on Titian's drawings.

About the Author

Titian Drawings Annotated Masterpieces is written by Dr. Paola Marini, one of the world's leading experts on Titian. Dr. Marini is the author of numerous books and articles on Titian and Venetian art. She is also the curator of the Titian exhibition at the Royal Academy of Arts in London.

Reviews

Titian Drawings Annotated Masterpieces has received rave reviews from critics. Here is a selection of quotes:

“ "This is a magnificent book that will be essential reading for anyone interested in Titian or the history of art." - The New York Times ”

“ "Paola Marini has produced a masterpiece of scholarship that will stand as the definitive work on Titian's drawings for decades to come." - The Guardian ”

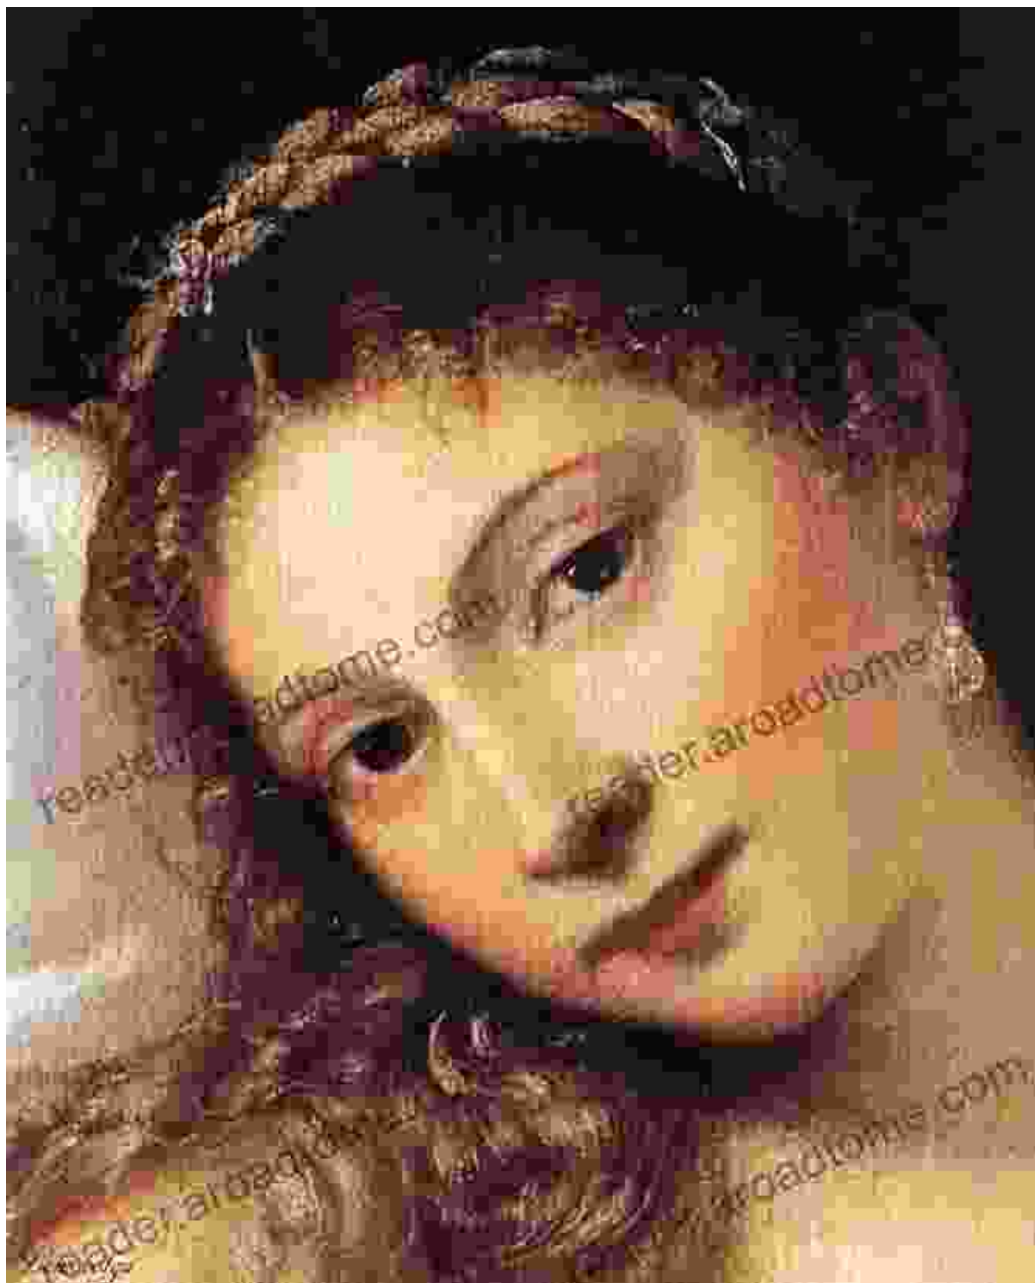

***“ "This book is a must-have for any library on art history." -
Library Journal ”***
