The Wheel of the Year: A Timeless Tradition

The Wheel of the Year is an ancient pagan tradition that celebrates the cyclical nature of life and the Earth's journey around the Sun. As the Earth orbits, it passes through eight key points, known as the Sabbats, which mark the beginning of each season and a significant shift in the energy of the year.

These Sabbats, including Samhain, Yule, Imbolc, Ostara, Beltane, Litha, Lughnasadh, and Mabon, have been observed for centuries by cultures around the globe. Each Sabbat holds its own unique significance, rituals, and traditions that honour the changing seasons and the rhythms of nature.

By attuning ourselves to the Wheel of the Year, we can live in harmony with the natural world, honour the cycles of life and death, and cultivate a profound sense of connection to the Earth and its sacred rhythms.

Eight Colours, Eight Seasons

In this exploration of the Wheel of the Year, we will delve into the profound symbolism of eight colours that are associated with each season and its corresponding Sabbat.

- **Samhain (Black):** Death, endings, release
- **Yule (Red):** Birth, beginnings, warmth
- **Imbolc (White):** Purification, hope, new beginnings
- **Ostara (Pink):** Growth, fertility, balance
- **Beltane (Green):** Life, abundance, prosperity
- **Litha (Yellow):** Joy, creativity, passion
- **Lughnasadh (Orange):** Harvest, gratitude, abundance
- **Mabon (Blue):** Balance, reflection, introspection

Through the interplay of these colours, we will uncover the hidden depths of each season, exploring its unique energies, challenges, and opportunities for growth.
