Dresner's book is not a self-help guide. She does not offer easy answers or quick fixes. Instead, she simply tells her story, in the hope that it will help others who have lost a loved one to suicide.

Waterboy is a powerful and moving book that will resonate with anyone who has experienced loss. Dresner's writing is honest, raw, and deeply emotional. She does not shy away from the difficult questions, and she does not sugarcoat the pain of losing a child.

But Waterboy is also a book about hope. Dresner finds strength in her memories of her son, and she draws comfort from the support of her family and friends. She learns to live with her grief, and she finds a way to move forward.

Waterboy is a must-read for anyone who has lost a loved one to suicide. It is a powerful and moving book that will offer comfort and hope to those who are grieving.
